Best Seaside Resorts for Honeymoons

Esencia, Riviera Maya, Mexico

Get ready to live like royalty. Set right on a beckoning white-sand beach, this [dreamy hacienda](#) used to be the home of an actual Italian Duchess – a lady who obviously knew a thing or two about relaxation and romance. Expect exceptional service, delicious tequila cocktails, and a pampering spa. If you make it out to see the Mayan ruins at Tulum, we'll be extremely impressed. Room to book: Splurge on the Rosa Suite, the duchess's former master bedroom – the entire property can be viewed from its enormous terrace.
