## A ROYAL SEASIDE ESTATE

A serene and luxurious oasis overlooking the pristine Caribbean Sea, the intimate *Esencia Estate*, the former private vacation home of an Italian duchess, is truly a royal retreat. Nestled between the turquoise blue waters and lush tropical jungle, the charming estate boasts one of the best beaches in the Riviera Maya.

An intimate and magical haven *Esencia* offers the ideal wedding setting whether for an intimate celebration or with family and friends. At *Esencia*, the staff is not only knowledgeable and experienced, but also passionate about weddings, ready to assist brides in coordinating all the little details for this special moment.

The hotel's own wedding and events coordinator will help turn wedding dreams into reality to create the couple's perfect personalized celebration. Helping to organize everything from picking the location, flowers, music and coordinating rooming, *Esencia's* wedding planner becomes a bride's wedding essential.

The options for the location of the ceremony, reception and rehearsal dinner capture the beauty of the Riviera Maya. *Esencia* offers picture-perfect settings amongst lush gardens or on the white-sand beach with the warm Caribbean breeze or in the intimacy of one of our cottages.

The eclectic array of accommodations consists of nine unique suites in the main house each with large sun terraces and sea views. The remaining 20 rooms, suites and villas are hidden among the manicured gardens and virgin jungle. Garden suites are adorned with relaxing private plunge pools while the two villas feature full sized private pools.

The centerpiece of the resort is an all-organic spa with treatments that have been passed down from ancient Mayans. Aroma Spa's holistic rituals, therapeutic baths, facials with exquisite scents and treatments for the body are a perfect prelude for relaxation prior to the wedding day.

Sal y Fuego, *Esencia's* full-service restaurant, serves up a creative and enticing Mediterranean cuisine with a local Mayan and Mexican flare. Specialties include a refreshing ceviche menu, and local dishes such as Tikin-Xic, roasted red snapper marinated in achiote.

Ideally located 15 minutes South of Playa del Carmen and 30 minutes from the ancient ruins of Tulum, *Esencia* offers guests coming in for a wedding weekend much to be explored. Guests can go horseback riding, fishing, boating, snorkeling, wind surfing, diving into the region's many 'cenotes' (limestone grottoes,) parasailing, bird watching, or snorkeling right off *Esencia's* beach. Many choose to visit nearby Mayan ruins such as Tulum, Coba, Chichen Itza and Uxmal.
